

# Jazz Club of WA CD and Vinyl Auction

**Tuesday 10<sup>th</sup> November 2026**

Over **400** individual items in great condition, auctioned in **10** lots.

In days gone by, the club used to maintain a record library, mainly for use on its radio program. This is a quality collection of jazz music, some of it quite RARE, beautifully curated, and well cared for. We are proud to offer it for auction. The lots also include some donations from members and friends.

The lots will be open for viewing from 6:30PM in the Milk Bar on the night of the auction.

The auction will take place in the interval on Tuesday 10<sup>th</sup> Nov. Normal club night entry fees will apply. Any attendee may participate.

## IMPORTANT NOTES:

- 1) Lots will be auctioned in order, rapidly.
- 2) There is no buyer's premium. All proceeds go to the Jazz Club of WA.
- 3) Purchases must be paid for and collected on the night of the auction. (Cash, eftpos, cheque)
